

COMPETITION TIMES

Please Note: In the interests of safety, there is a No Smoking Policy at Ravensbrook Farm.

The times are for guidance only.

We will try to have two horses on main course at a time, be careful through gates on course.

Two refusals and you MUST go on to the next fence. There is a timed section through the wood, which will be marked. There is an optional H fence, where if you jump it, 10 sec will be deducted from your time.

Course Walk on Friday 2nd October 4pm – 6pm or on morning of event. NO vehicles are allowed beyond the start box i.e. Don't drive round the course! Dogs MUST be kept on leads at all times, and any mess cleared up out of respect to the landowners.

Due to COVID 19, to avoid any sort of large gathering, we are asking that if you go clear that you stay at your box/trailer until the end for a potential rosette, otherwise please compete and leave. The results will be posted on our website and Facebook. Only one helper plus rider are permitted per horse.

Please remember to bring your own number bib if you can, and ideally print off your own numbers if possible.
